

EASTERN REGIONAL SERVICE BOARD

SOLID WASTE | WATER | WASTE WATER

Notice of Service

Trinity Conception North Pittman's Pond Western Bay Line Perry's Cove And Area

The Eastern Regional Service Board (ERSB) has been established by the Province of Newfoundland & Labrador to develop and implement modern waste management practices in the eastern region.

Starting June 4, 2016 ERSB will be providing information to the property owners in the above listed areas regarding waste collection and recycling collection. Waste collection will start on July 11, 2016 in Pittman's Pond and July 15, 2016 in Western Bay Line and Perry's Cove. There will be a curbside bulk collection on August 17, 2016 in Pittman's Pond and August 31, 2016 in Western Bay Line and Perry's Cove. As collection is starting the week July 11, 2016 the fee for service will be prorated representing 25 weeks of service at \$86.50.

There will be two (2) people canvassing the area. They will be carrying photo ID with the ERSB logo. We ask that you please provide them with the property owners' name and address. If no one is present at the location at the time of our visit an information package will be left on the door, after which we will consider the property owner notified of the service.

Should you wish to contact us in advance and provide your name and mailing address please contact 709.579.7960.
