—Curbside Collection Guidelines—

Household Garbage/Recycling:

Garbage: Use clear garbage bags only.

Recyclables: Use recycling blue bags only. No limit on number of blue bags set out on recycling days.

Privacy Bags: Optional—one opaque bag per week for personal items like sanitary and incontinence products.

Bag Limit: The total number of garbage bags—including privacy bag—must meet weekly limit.

Curbside Placement: Set bags out by 7 a.m., within 4.5 m (15 ft) of pavement.

Bag Weight: Maximum 20 kg (45 lbs) per bag.

Bundle Length: Max. 1.5 m (4 ft) for bundled items.

Secure Bags: Tie bags securely to prevent spillage.

Not Accepted: Oversized (bulk) items, and hazardous waste.

Non-Waste Items: Keep non-waste items away from collection area.

Missed or Delayed Collections:

Service Delays: Collections may be delayed due to weather, mechanical, or staffing issues. Report missed collections to ERSB directly for prompt follow-up.

Service Prioritization: Garbage collection may be prioritized over recycling during service disruptions.

Collection Updates: Check our website, or follow us on Voyent Alert: <http://register.voyent-alert.com>.

Garbage Box Maintenance:

Upkeep: Keep garbage boxes clean, in good repair, and free of snow or debris. Boxes with maggots, wasp nests, or vermin will not be serviced.

Container Standards: Waste will not be collected from makeshift boxes (e.g., old freezers). Unsuitable containers will be tagged to alert owner.

Garbage Box Lids: Residents are responsible for closing garbage box lids after each collection.
